# NixCI: Terms of Service

These Terms of Service (“Terms”) govern your use of NixCI: the NixCI software and the services that CS Kerckhove (“Provider”) provides for it, including support.

## 1 Intellectual property

Provider and its licensors own NixCI, and using it gives you no rights in it beyond those that a contract with Provider grants you.

## 2 Disclaimer of warranties

NixCI is provided as is. To the extent the law allows, Provider gives no warranty for it, express or implied, including that it is fit for any purpose or free of defects or of third parties’ rights.

## 3 Limitation of liability

To the extent the law allows, Provider is not liable for any loss or damage arising out of NixCI, however caused. Where the law does not allow that exclusion, Provider’s liability is limited to the fees you paid Provider for NixCI in the 12 months before the event that gave rise to it. Neither limits Provider’s liability for unlawful intent or gross negligence.

## 4 General

These Terms, and every contract with Provider that they form part of, are governed by the laws of Switzerland, and the courts of the city of Zurich, Switzerland, have exclusive jurisdiction over disputes arising out of them.

Provider processes personal data as its privacy policy at https://nix-ci.com/privacy-policy describes.

If a provision of these Terms is held unenforceable, the rest remains in effect.

Provider may change these Terms by publishing a new version, which applies to your use of NixCI after its publication.
